Cadet Uniform Policy

The Cadet Uniform Fee for incoming Rooks in 2016 will be $2100.00. If a student leaves the Corps of Cadets (either to leave Norwich University or transfer to the civilian lifestyle) he or she is still responsible for meeting this uniform fee obligation.

The Uniform Store will give a student full credit for items not yet issued. However, no credit will be given for any items special ordered for the cadet (for example-name tags, tapes) or items of a personal nature (for example- bathrobe, shower shoes, blankets). Any items that have been issued to the cadet may be considered for a partial credit from the uniform store. Rebates on these items are up to the discretion of the Uniform Store Manager.

Should the cadet withdraw from the Corps of Cadets or require a transcript, the full cost of the uniform, to include both the billed cost and the remaining unbilled cost of the uniform (less any approved refunds) will be applied to the student’s account and must be paid. There is an automatic hold on transcripts for any student whose student account is not paid in full.

If you have any questions regarding the Cadet Uniform policy please contact the Uniform Store at 802-485-2206. If you have any questions regarding the billing process please contact the Bursar’s Office at 82-485-2055.

Thank you in advance for your consideration with his matter.

NOTE: All Rook issue items may not be available for immediate distribution.
