

## New Student Orientation Spring 2024 Schedule

Saturday, January 6, 2024

Time	Session	Location
0800 – 1200	<b>New Student In-Processing</b> All new civilian residential and commuter lifestyle students will check in at Roberts Hall. There you will be given your Student ID, Orientation schedules, and room keys.	Milano Ballroom
1200 – 1250	<b>Get settled in your room</b>	N/A
1300 – 1350	<b>Welcome Session (Lunch Included)</b> Norwich University staff will welcome students, family, and friends into the Norwich family. Food will be provided for all guests in attendance.	U-Building 085
1400 – 1450	<b>Advising and Registrar</b> The University's Registrar and Academic Advising Coordinator will review important information about accessing their academic records (schedules, grades, GPA, prior learning/transfer credits), policies, and the Registrar's websites. Students will have time to check their own schedules, learn about advising expectations for the first week, and ask questions.	Mack Hall 105
1500 – 1550	<b>Center for Academic Success and Achievement</b> Learn about the programs, resources, and services which are provided to help students build on their high school strengths, develop as strong college learners in their majors, and achieve their academic goals at Norwich en route to graduation. All CASA services are included in tuition, and we will encourage students to include the CASA in their success team from day one as well as consider working with us as Peer Tutors.	Schneider Hall 102
1600 – 1650	<b>Academic Integrity</b> Recap on the major Honor Code violations that students learned about in the online training. They will receive a brief explanation of the Academic Integrity process used, and questions about either of these can be asked during this session.	Mack Hall 105
1700 - 1750	<b>Rules and Regulations</b> Learn about what Class One is, as well as the potential disciplinary action associated with its violation. There will be opportunities to ask any questions you may have regarding the Norwich University Student Rules and Regulations.	Mack Hall 105
1800 - 2000	<b>Residence Life and Commuter Support Social (Dinner Included)</b>	Mack Hall 205

Sunday, January 7, 2024

Time	Session	Event
1000 – 1150	<b>Brunch Buffet</b>	Wise Campus Center Abare
1200 – 1225	<b>Norwich and Military Traditions</b> Learn about some of the courtesies and traditions that come with attending the oldest private senior military college in the country.	Mack Hall 105
1230 – 1320	<b>Office of Title IX</b> Overview of how to report any sexual and gender-based misconduct, and the resources, resolution options, and supportive measures available to them. Students will also learn strategies to help keep our community safe.	Mack Hall 105
1330 – 1420	<b>Informational Technology Services</b> After completing the ITS module, students will be able to navigator our single sign on system (SSO), have their device connectivity questions answered, learn about lab access and printing as well as an introduction to the iPad digital citizens program as-well as the many student support avenues available	Schneider Hall 102

1430 – 1520	<b>Counseling and Wellness Center</b> Learn about services and programs offered by the Counseling and Wellness Center and how to make an appointment or to refer a friend. Learn about reasons people come to counseling and get accurate information about what seeking support could mean for future career in government.	Schneider Hall 310
1530 – 1600	<b>Office of Public Safety</b> Get a chance to talk with the Campus Safety Officers who patrol the University every day and night.	Schneider Hall 302
1600 – 1800	<b>Online Orientation Course Completion</b> Complete mandatory online Orientation course. The course can be accessed through Nuoodle and must be completed prior to the start of classes.	Schneider Hall 302
1800 – 2000	<b>Student Social</b>	Shaw Outdoor Center
2000 – 2030	<b>Residence Life Floor Meeting</b> Mandatory for all Residential Civilians. Meet with your Resident Advisor to go over common rules and policies within the Residence Halls. Topics include debriefing of all emergency protocols, creation of floor communication platform, and other important information.	Respective Residence Halls
