

WATER STREET CULTURAL HERITAGE WALK

Saturday, August 28th (ten-year anniversary of Tropical Storm Irene) until Thursday, September 9th

As we reflect on the ten-year anniversary of Tropical Storm Irene, the Dog River Conservancy invites you to explore a visual display of art and history. Members of the Northfield Community and Norwich University have assembled a collection of historical images, news clippings, and creative works that explore the relationship between the inhabitants of Northfield and the Dog River.
