

ACADEMIC RESILIENCE COLLABORATIVE VIRTUAL DISCUSSION

Food Security – Does eating local improve resilience?

Tuesday, April 13 2021, 12 p.m.

Despite the strong tradition of agriculture in Vermont, much of the food we eat is sourced from outside of our state. How does our dependence on these outside sources impact food security in Vermont? What strategies can we use to fill more Vermonters' plates with Vermont-grown food?

PANELISTS

GRETA HASLER, Strategy and Advocacy Coordinator, Salvation Farms

THERESA SNOW, Executive Director, Salvation Farms

KRISTYN DUMONT ACHILICH, Director of the Center for the Environment & Farm Program, Saint Michael's College

JOHN SAYLES, CEO, Vermont Foodbank

MODERATOR

KAITLIN THOMAS, Assistant Professor of Spanish, Norwich University

SIMON PEARISH, Assistant Professor of Biology, Norwich University

REGISTRATION

<https://attendee.gotowebinar.com/register/8348412983118384912>

This session will include an optional video discussion held on FlipGrid to continue the conversation. Feel free to post anytime before or after the event!
